

## Errata

**The Pharmacology of Bimatoprost (Lumigan™)**, by DF Woodward et al (Surv Ophthalmol 45 [Suppl 4]: S337–45, 2001).

On page S342, the concentration was incorrectly reported a “ $2 \times 10$  nM.” The correct statement should be “ $2 \times 10^{-10}$  M.”

**I Don't Need My Glasses, But . . .**, by Helen V Danesh-Meyer (Surv Ophthalmol 46:243–7, 2001).

On page 246 the units of measure were mistakenly referred to as “mm” instead of “ $\mu\text{m}$ .” The correct statement should be “Roughly, a 10  $\mu\text{m}$  difference in CCT from the population mean (550  $\mu\text{m}$ ) . . .
