

Erratum

A typographical error appeared in the synopsis of the article, “Management of the Neck in Differentiated Thyroid Cancer” by Drs. David M. Cagnetti, Edmund A. Pribitkin, and William M. Kean, published in the January 2008 issue of *The Surgical Oncology Clinics of North America*. In the Table of Contents, the last seven words of the aforementioned synopsis were not printed. The corrected sentence is as follows: “This article discusses guidelines for the management of the neck in differentiated thyroid cancer while reviewing the available literature.”
